## Public Works

**Bid No. 2022-042**  
**Kennedy Park North Gateway**  
**June 27, 2022**

**ADDENDUM NO. 4**

Questions received during the open period:

- 1. The Mirafi RS280i shown under the well tile is \$2,500 per roll plus freight from Georgia. Is the City still looking to specify this fabric?*

The City recognizes cost and availability of the geotextile fabric under the statue foundation in Addendum #1. Please delete both the reference to and specification of Mirafi RS280i geotextile fabric in Addendum #1. Geotextile fabric under the crushed rock layer for the Lassen statue foundation as shown in Addendum #1 will be removed from the scope of work.
