Do you meet the minimum amount of required insurance of Five Hundred Thousand (\$500,000) Dollars? Yes: ____ No.: ____

Name of insurance company: _____

Name of agent: _____

Number of policy: _____

Upon the grant of a permit to occupy any portion of sidewalk and/or street during the construction, repair, alteration or demolition of a building, the applicant agrees to save the City of Lewiston harmless and indemnified from and against all liability by reason of injury or damage to person or property in consequence of any obstruction of street or sidewalk, or of any materials or other things being therein or thereon, or from any excavation or want of light to other proper guard or warnings.

The Contractor further agrees to furnish the City of Lewiston a bond or indemnity insurance for a minimum amount of Five Hundred Thousand (\$500,000) Dollars to protect the said City of Lewiston against all claims for damages or injuries to property or persons, whenever requested, and comply with the requirements of the City's street occupancy policy.

The contractor shall be responsible for attaching a traffic control plan showing how traffic and pedestrians are to be routed through, or detoured around the work zone. All signage in compliance with the City's Excavation, and Street Opening and Street Occupancy Policies shall be shown on the plan.
