

Press Statement September 9, 2021

The City of Lewiston Public Works Department wants to keep residents in the know about street/sidewalk sweeping, which may necessitate no-parking postings, as well as street construction and closures. As such, the City is now providing a new Notify Me text and/or email notification sign-up offering.

  Street/Sidewalk Sweeping (To Include No Parking Areas); Street Construction; Street Closures

Interested individuals may click on “**Notify Me**” on the front page of Lewiston’s web site, www.lewistonmaine.gov, and follow the prompts to sign up for the category entitled “**Street/Sidewalk Sweeping (to include no parking areas); Street Construction; Street Closures.**” Instructions to receive such notifications are below.

HOW TO SIGN UP:

- By clicking on the “**Notify Me**” button on the home page, an extensive list of topics will come into view.
- Sign in with an email address and then select email, text, or both types of notifications.
- If text notifications are selected, a phone number will have to be provided.
- May select (click) on as many topics as one would like – to include the new street category.
- **Must save** any category selected; a save button will be visible.
- A verification email will be received for **each category topic** a person signs up for.
- **To activate** notifications, the subscriber must respond to **each** of the email verifications received.
- At any time, an individual may “*unsubscribe*” should notifications no longer be desired.
