City of Lewiston Electrical Permit Application

Planning and Code Enforcement
City Hall, 27 Pine St.
Lewiston, ME, 04240
(207) 513-3125

PLEASE READ IN FULL BEFORE COMPLETING

All electrical work must comply with Chapter 18 BUILDINGS AND BUILDING REGULATIONS ARTICLE V. ELECTRICAL CODE, the current state adopted National Electrical code, and all other applicable codes adopted on the issuance date of this permit.

<https://www.lewistonmaine.gov/DocumentCenter/View/194/Chapter-18?bidId=>

A 48 HOUR NOTICE IS REQUIRED FOR ANY NON- EMERGENCY INSPECTION.

CMP Notification numbers are required to be provided to the electrical inspector for approval of service.

PERMIT REQUIREMENTS

APPLICANT IS RESPONSIBLE TO NOTIFY INSPECTOR FOR INSPECTION

No electrical wiring, devices, appliances or equipment shall be installed within or on any building, structure or premises nor shall alterations or additions be made in any such existing wiring, devices, appliances or equipment without first securing a permit therefor from the electrical inspector. Please refer to Sec. 18-141 pertaining to exceptions. <https://www.lewistonmaine.gov/DocumentCenter/View/194/Chapter-18?bidId=>

Title 32 Ch.19 §1255 (8) G. For other than one and two family dwellings, any new construction, modification, or additions to the electrical system in excess of \$10,000 shall provide stamped and sealed plans and specifications to Planning and Code Enforcement office for review before issuance of an electrical permit. <http://legislature.maine.gov/statutes/32/title32sec1255.html>

A copy of the permit shall be posted or otherwise readily accessible at each work site.

Ch.18. Sec. 18-143. A permit may be issued to homeowners to do wiring in a single-family residence, provided the following conditions are met: (1) The homeowner must obtain a permit and have all work inspected as provided by Section 18-151. (2) The single-family home must be owned by the individual doing the electrical work and be their permanent residence or it will be in the event that it is to be constructed.

BELATED FEES: Fee for electrical work undertaken prior to the issuance of the appropriate electrical permit: First offense per calendar year \$200.00 Second or additional offense(s) per calendar year double to a maximum per offense \$1,600.00

Inspections and department call outs after normal hours is \$150.00 minimum. Additional time beyond three hours shall be calculated at time and one half for the electrician on call.
