- Bid Awarded on or before..... Tuesday, June 27, 2022
- Start date within Ten days of Award
- Completion date Within 60 days of Notice to Proceed, Approx. August 31, 2022

TIPPING FEES

The Contractor will not be responsible for tipping fees, however, all demolition materials not salvaged must be conveyed, by the contractor, to the ReEnergy construction and demolition processing facility for disposal, during their normal business hours. The ReEnergy facility is located at 38 Alfred Plourde Pkwy., Lewiston.

No unlabeled liquid containers or any hazard waste materials are to be brought to ReEnergy.

The contractor should identify the City demo location the materials are coming from when being processed at ReEnergy for our billing purposes.

Demolition shall be done in a manner to maximize the amount of wood materials that will be accepted at ReEnergy to minimize the number of mixed loads being processed. ReEnergy will provide the City feedback on this during the project.

The City shall identify all sites to be used for disposal of brick, concrete and other fill material prior to contract signing.

CLAIMS

The City of Lewiston will not be held responsible for any damages or injuries arising out of any snow removal activity for the City. Any related claim will be referred to the Contractor. The contractor may wish to make personal restoration within a reasonable amount of time at the property owner’s satisfaction or process a claim with their insurance carrier.

INSURANCE

The Contractor shall furnish proof of coverage with adequate insurance of the types and to the limits specified below **naming the City of Lewiston as additional insured**. Certificate of such insurance shall be filed with the Purchasing Agent **within 5 days of Notice of Award**.

WORKERS' COMPENSATION

Workers' Compensation, coverage with Statutory Limits and Employers Liability for all employees with limits of \$400,000 per incident; and in case any work is sublet, the Contractor shall require the sub-contractor similarly to provide coverage for the latter's employees unless such employees are covered by the protection afforded the Contractor.

AUTOMOTIVE LIABILITY INSURANCE

Automotive Liability insurance with minimum limits of liability for bodily injury in the amount of \$1,000,000 for each occurrence and minimum limits of liability for property damage in the amount of \$50,000/\$100,000 aggregate.

GENERAL LIABILITY INSURANCE

General Liability insurance with minimum limits of liability for bodily injury in the amount of \$1,000,000 for each occurrence and minimum limits of liability for property damage in the amount of \$50,000/\$100,000 aggregate, or a combined single limit of \$500,000 for each occurrence, including completed operations shall be required.

"In the event of cancellation, change or expiration of any of the foregoing policies, ten (10) written notice will be mailed to the Owner."

PAYMENTS

Progress payments shall be made on a monthly basis for work completed based on a percentage of the total project. Contractor shall submit pay requisition with an estimate on percent of completion. Amount completed to be determined by Purchasing Agent.

- A. Demolish all structures covered by this contract including all exterior steps, platforms and underpinning and foundation walls, etc. in accordance with the following terms and conditions:

Demolition shall be done in a manner to maximize the amount of wood materials that will be accepted at ReEnergy.

1. The structures and their components are to be demolished in such a manner as to prevent dust, dirt and undue noise from the operation from becoming a nuisance in the area.
2. Cellars are to be cleared of all combustible and perishable material and of all tanks and piping. Tanks used for the storage of fuel oil or other flammable materials shall be removed in accordance with the regulations of the Lewiston Fire Department and Maine Department of Public Safety.
3. Stone, concrete and masonry walls, chimneys, etc. shall be completely removed.
4. No structures shall be removed substantially as a whole. All structures shall be demolished completely on the premises. Masonry walls, piers, columns or chimneys shall be demolished in small sections. All floor construction over basements or cellars shall be completely removed regardless of whether they are above or below existing ground level.
5. Contractor shall remove all tanks (water, gas, oil, etc.) and piping. Should underground oil

- tanks be identified, they shall be part of the project and the cost shall be part of the bid.
6. Once the work of demolition is started, it shall be continued to completion, uninterrupted except for Sundays and holidays or acts beyond the contractor's control (**including excessive winds in excess of 20MPH**). Material shall be removed from the site as quickly as possible and not be stored on site.
 7. The contractor shall comply with all applicable laws and ordinances.
 8. The contractor must exercise proper care in loading so that no waste or salvage material is strewn on public streets, neither during loading nor enroute to the dumping site. Any material spilled on public streets will be promptly cleaned up and removed by the contractor.

2.02 CLEAN UP

1. All debris resulting from the operation under this contract and all tools and apparatus are to be removed from the site at the completion of the work and the site left clear and free from hazards, to the satisfaction of the Owner.
2. Bidders shall assume that all movable equipment and furnishings left on the premises during the bidding period shall remain the property of the occupant or owner and shall be removed by him/her prior to commencement of demolition and removal. Any such movable equipment or furnishings remaining on the premises after the date indicated shall become the property of the contractor and he/she shall remove same from premises.
3. All fixed equipment which is on the premises during the bidding process shall become the property of the contractor and he/she shall remove same from premises.
4. After the demolition and removal work have been accomplished, the site shall be cleared of all obstructions. Site shall be brought to grade as directed by the Purchasing Agent.
5. The Contractor shall secure the property by placing boulders around its perimeter after the completion of demolition.
6. Loaming and seeding will be done following demolition.

55 OLD LISBON ROAD

which Contractor wishes to sell for salvage must be removed from the premises by Contractor on or before the expiration of the time for completion of Contractor's services hereunder. At the time of such removal of each component from the City's premises, title to such component shall immediately vest in Contractor and responsibility for lawful disposal (or sale) of such components shall thereafter remain solely Contractor;

Time is of the essence with regard to this Agreement;

Contractor agrees to attend pre-demolition meeting with such officials as may be designated for such purpose by the City. At that time, Contractor shall submit to the City a progress schedule;

Contractor shall provide for maintenance of traffic in accordance with Sub-section 104.04 and 107.11 of the Maine State Highway Commission Standards Specifications (4) Highway and Bridges, Revision of June, 1981 and the following provisions:

Since the project area is in or abuts streets used for passage on foot, the Contractor shall be responsible for scheduling his/her work in such a

manner that safe passage for pedestrian and vehicular traffic is provided at all times with a minimum of obstruction.

Contractor shall make arrangements with the Chief of Police, the Chief of the Fire Department, and other City officials as required for performance of the work. Contractor shall arrange any pay for all police protection and assistance required to adequately handle traffic.

When it necessary for traffic to pass over portions of the abutting roadway during the demolition, the Contractor shall at all times provide for the safety of traffic by using such warning signs, flares and lights as may be required by the City of Lewiston. All such temporary traffic controls shall be provided at the sole expense of Contractor. In the event any street or way is to be temporarily or permanently closed to travel (by permission of the Lewiston City Council), a 48 hour notice will be given by Contractor to the City of Lewiston, the Chief of the Lewiston Fire Department, the Chief of the Lewiston Police Department and the Traffic Engineer. In the event the closing of a street becomes necessary, all costs involved in establishing and maintaining a suitable detour, as may be required by the municipal officers, will be borne by the Contractor. Approved signs shall be furnished, placed and maintained by the Contractor at such points as designated by the Engineer. The Contractor shall be liable for all damages occasioned in any way by the act or neglect of themselves or their agents, employees or workmen. When the bridges or other temporary expedients are no longer necessary, they shall remove them and restore the private ways, paths, drives or walks to their original condition.

The City of Lewiston or any of their duly authorized representatives, shall have access to and be permitted to observe and review all work, materials, equipment, employment conditions, books, documents, papers, records, correspondence, receipts, vouchers, payrolls, agreements with sub-contractors relating to this Contract for the purpose of making audit, examination, excerpts and transcriptions. The Contractor shall preserve all such records for a period of three (3) years after the final payment and all other pending matters are closed.

No member of or delegate to the Congress of the United States and no resident commissioner shall be admitted to any share or part of this Agreement, or to any benefit to arise from the same. No member, officer, or employee of the City of Lewiston or its designees or agents, no member of the governing body of the locality in which the program is situated and no other public official of such locality or localities who exercises any functions or responsibilities with respect to the program during his/her tenure or for one (1) year thereafter, shall have any interest, direct or indirect, in any contract or sub-contract with the program assisted under this Agreement.
